## About the Faculty of Education

Times are changing and so it is the need of the hour that youth of the nation must be given expert training in skills, which make him employable at every frontier. It is a well established fact that education is the most powerful weapon which can be used to change the world. Teacher, being an important element of the education system, plays a very integral role for a total change in the present design of the education system. Revolutionary changes are taking place in the educational scenario of the whole world and so to meet the challenge of preparing requisite proficiency, Pacific College of Teachers` Education {PCTE}, a unit of Pacific University aims at becoming a centre of producing world class educational professionals of high caliber with great competence and technical expertise. The Faculty offers Two year Bachelors in Physical {B.P.Ed.}, Degree, Two years Master in Physical Education (M.P.Ed. Education), and Ph.D. in physical education. For a distinctive contribution, a unique combination of theory, Practical and technology in all the courses is goal of the institute.

## Mission & Vision

The mission of the Pacific College of Physical Education is to restore the glory of the profession of teaching & Give the society teachers who are committed, concerned classroom practitioners, globally competitive yet rooted in the Indian ethos oriented to societal well-being sensitive, caring human beings sound in their understanding of the meaning and the process of education.
